SLEEPER FOR GOVERNOR.

Former State Treasurer Formally Enters Race for Republican Nomination.

LANSING, Mich., Oct. 15.—Special. "I am not contented with any class, faction or interests. If I am nominated and elected, I will go into the office unhampered by any promise of patronage and will give the state the best administration of which I am capable."

With this statement, Albert E. Sleeper, Bad Axe banker and former state treasurer today formally announced his candidacy for the Republican nomination of governor.

Mr. Sleeper was a member of the state senate from Huron and Sanilac counties in the 1901 legislature and was elected state treasurer in 1908 and 1910. Since his retirement from that office he has taken no active part in politics. His formal entry into the gubernatorial race has been expected since The Expressor, two months ago, announced that his friends were grooming him for the race.

Thus far Gerrit J. Diekema, of Holland is the only other Republican candidate for governor formally in the field.

Merged Into National Bank

On Tuesday, October 19th, 1915, the Avoca Bank of W. V. Andreae was changed from a private bank to that of a National Bank, and is now operating under the laws, rules and regulations of the federal government.

In the year 1902 Wm. V. Andreae established the Avoca Bank with his son, Charles V. as cashier. Since that time the bank has enjoyed a big business, built a fine new bank building, and the success of the institution was very gratifying and satisfactory. The business of the bank increased to such an extent a few years ago that it became necessary to add an assistant cashier, Lloyd Andreae, son of Wm. V. Andreae, being engaged in that capacity.

The new National Bank is a member of the Federal Reserve system.

A little later the Expressor will publish the officers and directors.

We speak for the First National Bank of Avoca an increased business, and wish the institution a full quota of success.

DISTRICT MEETING

Being Held in M. P. Church, Yale. This Week Is Largely Attended.—Some Notable Speakers Present.

The First District of the Michigan Conference of the Methodist Protestant church convened in the city of Yale in its annual meeting, Tuesday, Oct. 19th, 1915, in the evening.

Rev. D. A. Vandorn preached the opening sermon, subject, "Your Debt to organized Christianity." Text, Eph. 4:32, which was a fine introduction to the "Symposium, the Methodist Protestant Church." One great point in the sermon was "Any great moral reform begins in the church of Jesus Christ, and the true Christian minister always leads it."

Wednesday morning, Oct. 20th, meeting was called to order by the chairman, W. C. Harger. After singing "Is So Sweet to Trust in Jesus," Rev. L. D. Boynton conducted the devotional service by the reading and exposition of Psalm 46, which was followed by prayer and singing, "God Will Take Care of You." Then the chairman opened the meeting by a few words of welcome, and called Rev. C. L. Ellis to the chair. The Symposium, "The M. P. Church," was begun by the reading of a paper by Rev. W. C. Harger, "Its Relation to Other Churches." Among the many practical thoughts given, was one particularly impressive, viz: "The leavening influence of the M. P. church upon other churches, especially the Methodist Episcopal," and that the M. P. church kept alive the great principles that underlie a true representative form of government, and mutual rights.

Discussion was ably led by Rev. L. D. Boynton, followed by Revs. Reilly, Oliver, Root, Bragg and Ellis, Rev. Harger closing the discussion.

A paper, "It's Financial System," was read by Rev. C. L. Ellis, who emphatically declared for the bible plan of finances. "Our first obligation is to God, through the visible church," that the M. P. church has been more or less deficient in its financial system.

Rev. R. C. Powell in opening the discussion, said if the average business man would run his business as many churches do they would utterly fail. Revs. Gray, Bragg, Reilly, Boynton and Harger followed with interesting discussions on the subject.

Titling by the individual, and the "Budget" plan of distributing combined with the "Duplex" envelope system, was found to be, both for the member and the church, the most prosperous for all concerned.

Rev. Chas. Bragg, in his paper, carefully reviewed the "Last Session of Conference," as his part of the "Symposium." "The last session the best." Things vital to the growth, and welfare of the conference was intelligently discussed by Mr. Bragg, giving, and justly, too, due credit to our noble laymen, whose loyalty helps largely to make this body efficient and prosperous.

Rev. A. A. Phelps feelingly responded in the discussion that followed, others taking a part. This closed the first session of the District meeting which was filled with good things and is well attended by ministers and laymen. The benediction was pronounced by Rev. L. D. Boynton.

The Wednesday afternoon session of the District meeting was opened by singing "Is My Name Written There?" Rev. C. L. Ellis read and gave an exposition of Gal. 5th chapter, after which Bros. Edgerton and Phelps led in prayer.

After a brief discussion by Revs. Boynton, Ellis, Reilly, Oliver, Hill, and Harger on "The Last Session of Conference," Rev. E. F. Root read a thoughtful, carefully prepared paper, "The M. P. Church: Its Possibilities as a Community Center." He said "The rural church is not always an efficient character in rural life." "A true community church must not alone be the center of spiritual power, but must meet the needs in its social life," for the real purpose is to serve, not to be served. In the absence of Rev. Van Dorn, Rev. Reilly led in the discussion, followed by Revs. Boynton, Root, Oliver, Edgerton, Ellis, Phelps and Bragg.

The chairman called for the paper, "Its Church Extension," which was to have been given by Rev. C. England. He being absent, the subject was passed, and a talk on "Church Loyalty" was given by one of our honored laymen, Burton Edgerton. He spoke of the great claim the church has upon its members, because "the church holds the first claim upon us. Jesus, the head, and in the midst we cannot be loyal to God, and not be loyal to his church."

Rev. Ellis led in an appropriate discussion of the subject, followed by Revs. Phelps, Oliver, Boynton, Gray, Bragg, Root, Powell and Harger.

Thirteen of the twenty-three members of the first district were present at last evening's session of the district meeting. A prominent feature of the services was the sermon by Rev. F. A. Perry, D. pastor of Avoca M. P. church. His subject, "Higher Criticism," as contrasted with the simple gospel of Christ was built on the text, 2 Tim. 3:5, "Having a form of Godliness, but denying the power thereof; from such turn away." The sermon, from introduction to conclusion, was inspiring and uplifting, the Doctor showing that "Higher Criticism" was the Gospel, with the love of God squeezed out, but to the pure in heart the Bible unfolds a loving Savior. An expression was taken and nearly all in the large audience declared by the uplifted hand, for the simple gospel of Christ.

Rev. Walden Geach of the M. E. church pronounced the benediction.

A full report of the Thursday and Friday meetings will be published in next week's Expressor.

GRADE NOTES

The first grade has the Bag this week.

Miss Chase—"How long are you going to be?" Miss Whitner—"Oh, about five foot, three."

Mr. Drouvor requests that Miss Greenwood report to him the punishment which took place in the third grade anti room last week.

HIGH SCHOOL NOTES

The boys report the shower baths as the greatest ever.

The Physics class is deep in the mysteries of mechanics.

Miss McCall's rhetorical division has been organized with Kenneth Lacy as president.

Arline McKeith is absent from school on account of the death of her grandmother, Mrs. Sawyer.

Thelma is now wearing her hair in a gibbon curl. This, we infer, must be latest style in hair dressing.

Class mates, Study your modern history. All sorts of tortures are promised if you don't know your lesson.

Miss Ritchie's rhetorical program takes place next Wednesday afternoon. All are invited to attend. Come and show that you are interested in what your school is doing.

The physiology class is studying the digestive processes. They wonder why so many complex names and organs are prominent in the body. There are too many to remember anyway.

Turrah for vacation. The high school closes next Thursday and Friday. The high school teachers expect to attend the State Teachers Association meeting in Saginaw. Here's hoping the weather is fine.

The athletic association have put in the shower bath for the boys. The visiting teams derive as much benefit as the local teams. Yale school may well be proud of the progress and record it is making.

Miss McCall, in American history class, "I've lost my faith in Wilson. The idea of his marrying just fourteen months after his wife's death." Rex Holden, seriously, "How long do you expect a man to wait?"

The Seniors and Sophomores played the Juniors and Freshman in foot ball last Friday. The game was most exciting, the score being 33 to 0 in favor of the Seniors and Sophomores. On Wednesday a most wonderful challenge appeared upon the board written by the Seniors and Sophomores. An able reply was written by the Juniors and Freshmen and another game was played Wednesday night.

Wednesday of this week saw the completion of the shower bath in the Yale High school. The fitting out of these baths is the work of the Athletic Association and is greatly appreciated by each member of the foot ball squad. The hot water for each of the three sprays is heated in a large eighty gallon tank. By means of the novel heating system the water in the tank can be kept at a boiling point for several hours with a continual stream of water following from each spray. The bath is a much needed improvement and will be a great service to foot ball and base ball teams in years to come.

Boiler Explosion at Abbottsford

The explosion of the boiler of an engine in the Westbrook brick yard at Abbottsford at 10:30 o'clock Tuesday morning seriously scalded Lee Haskell of Port Huron, John Westbrook, Glen Haskell and a man by the name of Bird, of Abbottsford.

The boiler is presumed to have been in bad condition and that too much steam pressure was on.

The injured men were taken to the home of Mrs. John Westbrook and Dr. Chester of Emmett, Dr. Campbell of Avoca and Dr. Brock were called.

John Westbrook was so seriously injured that he died the same afternoon. He was about 32 years of age and is survived by a widow, Bert Haskell, who was one of the victims, is in a critical condition and his recovery is doubtful. If he should recover he will probably lose his eyesight. Lee Haskell no doubt will recover. Andrew Taylor, one of the injured, is a nephew of Fred Taylor of this place. The tragedy has cast a gloom over the entire section.
